

# GUIDED PATHWAYS STUDENT LEADERSHIP TRAINING

A training for students who aspire to increase the leadership skills, collaboration, and advocacy opportunities for community college students in San Bernardino and Riverside Counties to better inform and engage in the college's Guided Pathways and racial equity efforts.

**Monthly sessions will be divided into three developmental components.**

### Personal

Training and coaching to increase personal effectiveness in the public sphere.

### Policy

Issues, advocacy and opportunities that lead to improved equitable outcomes for students.

### Systems Change

Information and training on protocols and strategies to impact systemic change.
